Dr.A.Rathinavelu, Principal and Chairman of the Academic Council welcomed all the members.

The Chairman of the Academic Council presented the following Agenda points:

- Conduct of Regular End semester Examination for Even semester UG (II, IV and VI semesters) and PG (II semester) in 1 hour online MCQ type Examination in proctored method. If the students want to improve, an option may be given later to appear for 3 hours descriptive type of Examination (pen and paper) in online/on campus after the lock down period.
- Conduct of Arrear End semester Examination for current and passed out students in 3 hours descriptive (pen and paper mode) through online proctored method.
- Conduct of reexamination for VII semester students (pen and paper) who have not cleared their subjects, in the view of employment opportunities for the students and also on par with Anna University Examination model. Considering this as special case it is proposed to conduct 3 hours examination (descriptive, Pen and Paper mode) through online proctored method.

Points discussed and approved:

1. a. The proposal of conducting Regular End semester Examination for Even semester UG and PG in 1 hour online MCQ type Examination in proctored method was approved by the council.
b. The proposal of giving option for the students to appear for 3 hours descriptive type of Examination (pen and paper) in online/on campus was approved by the Council.
2. The proposal of conducting Arrear End semester Examination for current and passed out students in 3 hours descriptive (pen and paper mode) through online proctored method was approved by the council.
3. The proposal of conducting reexamination for VII semester students who didn't clear in last time, the council members has considered as a special case to conduct 3 hours descriptive examination (pen and paper) through online proctored method and it was approved by the council to allow them only one time.

Dr. A. Rathinavelu, Principal and Chairman of the Academic Council Summarized the suggestions given by members and thanked the members of the ACM for their active participation.
