## DIRECTORS' REPORT

### TO THE MEMBERS

Before reporting the working results of the year, your Directors with deep regret inform the sad and sudden demise of Shri P.R. Ramasubrahmaneya Rajha, Chairman of the Company on 11-05-2017. When Shri P.R. Ramasubrahmaneya Rajha assumed charge of Rajapalayam Mills Limited, the capacity of the Company was 40,000 Spindles. Under his leadership the Company grew to aggregate spindle capacity of 1,37,552 Spindles and Open End capacity of 4,616 Rotors. Shri P.R. Ramasubrahmaneya Rajha was appointed as a Director of the Company in the year 1956 and served the Company for more than 60 years. The Mill was developed financially and operationally very strong during his tenure because of prudent and transparent management. The achievements made by the legendary Chairman not only to the Company but also to the Textile Industry as a whole will be appreciated by many generations to come. He was also known for his business ethics, value systems and philanthropic activities. He not only led the Rajapalayam Mills Limited but was also the guiding force for the entire Ramco Group of Companies, which has made the Group, one of the most respected industrial houses in the country. Under his leadership, the Company has made consistent profits and handsomely rewarded all the stakeholders of the Company.

The Directors place on record the immense contribution, Shri P.R. Ramasubrahmaneya Rajha had made to the Company in its growth progress. The Directors are committed to take forward the future growth of the Company, in line with his vision and values.

The Directors are presenting their 81<sup>st</sup> Annual Report and the Audited Accounts of the Company for the year ended 31<sup>st</sup> March, 2017.

### 1. FINANCIAL RESULTS

The financial results for the year ended 31<sup>st</sup> March, 2017 after charging all expenses and contribution to P.A.C. Ramasamy Raja Memorial Fund of Rs.70 Lakhs (which is less than the limits laid in the Articles of Association) but before deducting finance cost and depreciation have resulted in operating profit (EBITDA) of Rs. 8,286.00 Lakhs against Rs. 7,938.50 Lakhs for the previous financial year 2015-16.

After deducting Rs. 2,328.56 Lakhs towards finance cost and providing Rs. 2,114.44 Lakhs towards Depreciation, the Net Profit and other comprehensive income before tax for the year is Rs. 3,759.24 Lakhs, as compared to Rs.3,038.54 Lakhs for the previous financial year 2015-16. Adding the surplus of Rs.1,112.17 Lakhs brought forward from the previous year, your Directors propose to appropriate the total sum of Rs. 4,871.41 Lakhs as detailed below:

		<b>(Rs. in Lakhs)</b>
Provision for Taxation	- Current Tax	775.13
	- Deferred Tax (including MAT Credit Entitlement of Rs.374.59 Lakhs)	(553.86)
Transfer to General Reserve and FVTOCI Reserve		3,650.14
Balance carried over to Balance sheet		1,000.00
	<b>TOTAL</b>	<b>4,871.41</b>

## **2. SHARE CAPITAL**

The Paid-up Capital of the Company is Rs.737.62 Lakhs (Previous Year: Rs.737.62 Lakhs) consisting of 73,76,160 Shares of Rs.10/- each.

## **3. DIVIDEND**

Your Directors have pleasure in recommending a Dividend of Rs. 4/- per share (Previous Year: Rs.3/- per share). The Company will pay Dividend Distribution Tax under Income Tax Act, 1961. The total amount of Dividend outgo for the year will be Rs.295.05 Lakhs. The amount of tax on dividends would be Rs.60.07 Lakhs.

## **4. TAXATION**

An amount of Rs. 775.13 Lakhs towards Current Tax has been provided and Deferred Tax of Rs.179.27 Lakhs has been withdrawn for the year 2016-17. The Company's entitlement of MAT Credit of Rs. 374.59 Lakhs has been recognized in the books during the year.

## **5. MANAGEMENT DISCUSSION AND ANALYSIS**

### **TRADE CONDITIONS**

- **COTTON**

India is the largest producer of cotton in the world. At the time of beginning of the cotton season during November 2016, the Government of India announced demonetization of high value currency notes, which prompted farmers to postpone their cotton sales. Because of this, the cotton prices had gone up by 18% as compared to the prices quoted at the same period of last cotton season. The price of comber noils, which is the Raw material for Open End Spinning has also increased steeply due to more exports from India. The Company has put in place a well-defined system for monitoring demand and supply of required quality of cotton and also the price movements in domestic and international cotton markets. Because of this, the Company was able to procure high quality cotton when the prices were competitive.

- **YARN PRODUCTION**

The Company is now focusing on production of customized, fine / super fine yarn to get better contribution as compared coarser / medium fine counts produced during the last financial year 2015-16. Due to this, the production volume has decreased to 157.39 Lakhs Kgs during the financial year 2016-17 as against 159.43 Lakhs Kgs of last year.

- **SALE OF YARN**

The sale volume has decreased in line with production during the financial year 2016-17 and it was 159.04 Lakh Kgs as compared to 165.47 Lakh Kgs of last year. However, the sale value of yarn has increased from Rs. 387.38 Crores [FY 2015-16] to Rs. 398.14 Crores [FY 2016-17].

## DIRECTORS' REPORT

---

Due to weak export demand especially from China and sluggishness in domestic market for yarn, the Company was not able to increase the yarn prices in line with the increase in raw material cost. Though India is the top exporter of Cotton yarn in the world, yarn exports from India during the financial year 2016-17 has declined by more than 10% as compared to financial year 2015-16. However, the Company continues to have a good demand from International Customers on account of supply of consistent and superior quality of yarn.

The Company was able to tap more opportunities available in the overseas yarn market and this enabled the Company to sustain the sale volume in export. Despite down trend in yarn markets in India, the Company was able to register a growth in its profitability mainly due to focus on value addition, procuring superior quality of cotton, reducing the production of commodity counts and replacing the same with customized yarn counts, cost optimization initiatives implemented across the organization etc.

The investments made in value added machineries during the past years have given the ability to the Company to customize its products in line with the requirements of its customers.

- **POWER COST**

During the financial year 2016-17, the Company was able to consume electricity from its own wind power to the extent of 68% of total power requirement as compared to 41% consumed from wind mills during the last year. Because of improved power generation from wind mills, the Company was able to reduce the power cost substantially as compared to previous financial year.

- **FINANCE COST**

The Finance cost has reduced from Rs. 2,669.01 Lakhs to Rs. 2,328.56 Lakhs, a decline of 13% mainly due to repayment of Term Loans and initiatives taken by the Company to reduce the average cost of borrowings.

In spite of increased cotton cost and labour costs, the strategic decision taken by the Company to make investments in value added machines like compact spinning system, TFO, gassing machines, etc., has helped the Company to increase its volume of sales in export / corporate customers, who require high quality value added yarn and also helped the Company to control the costs and to increase its operational and financial performance.

## 6. EXPORTS

On the export front during the year, we have made export of Cotton Yarn (including merchant exports) for a value of Rs.121.93 Crores as against Rs.114.97 Crores of the previous year.

Your Directors are thankful to M/s. Mitsubishi Corporation, M/s. Doko Spinning Co. Ltd., and M/s. Unitika Ltd., Japan for their continued support and efforts for promotion of exports to Japan.

## **7. MODERNISATION / EXPANSION**

As a part of continuous thrust on modernization and expansion programme, the Company has invested about Rs. 5.45 Crores for investment in textile machinery & equipments like, Compact conversion, Contamination detecting machine etc.,

## **8. PROSPECTS FOR THE CURRENT YEAR**

The cotton prices are showing increasing trend due to reduced acreage of cotton plantation during the cotton season 2016-17. There is a huge volatility in the demand of cotton and yarn in domestic as well as international markets, which is reflecting in their prices also. There is an expectation that the US's exit from the Trans-Pacific partnership is likely to realign textile trade towards India, which will boost the consumption of Indian yarn. Cotton Yarn is now enjoying the excise duty exemption through optional route since 2004. The Government is planning to implement GST in India with effect from 01-07-2017 and it is expected to yield long-term benefits.

The Company is always focusing on maintaining highest standards of yarn quality and also concentrating on cost effective production. It is always our endeavor to minimize the waste and to focus more on automation with a view to utilize the skilled manpower more efficiently. With the flexibility to produce value added super fine counts and by using more imported contamination free cotton, the Company will continue to make efforts in expanding the marketing activities across the globe to increase its customer base.

## **9. WIND MILL**

The Company has wind mills with installed capacity of 35.15 MW for its captive power consumption. The wind farm has generated 683 Lakhs Kwh as compared to 394 Lakhs Kwh of the previous year. There was a good wind velocity supported by good evacuation by Tamil Nadu Generation and Distribution Corporation (TANGEDCO) during the financial year 2016-17. All the Units generated by wind mills were adjusted for captive consumption at our Mills in Tamil Nadu. The income during the year from the Wind Mill Division was Rs. 45.62 Crores as against Rs. 26.26 Crores of previous year.

## **10. INDIAN ACCOUNTING STANDARDS (IND AS) - IFRS CONVERGED STANDARDS**

The Ministry of Corporate Affairs vide its notification dated 16<sup>th</sup> February, 2015 has notified the Companies (Indian Accounting Standard) Rules, 2015. In pursuance of this notification, our Group Companies M/s. The Ramco Cements Limited and M/s. Ramco Industries Limited has adopted Ind AS in first phase i.e. with effect from 01-04-2016 and they have considered M/s. Rajapalayam Mills Limited as their Associate Company. As per the above said notification, if a listed Company adopts Ind AS in first phase, their Associate Company should also adopt Ind AS in first phase. Hence, the Company and its Associate Companies have adopted Ind AS with effect from 01-04-2016. The Company's financial results for the previous year ended 31-03-2016 had also been recast in accordance with Ind AS.

### INDEPENDENT AUDITOR'S REPORT

#### **To the Members of M/s. Rajapalayam Mills Limited**

#### **Report on the Separate Ind AS Financial Statements**

We have audited the accompanying separate Ind AS financial statements of Rajapalayam Mills Limited ('the Company'), which comprise the balance sheet as at 31<sup>st</sup> March, 2017, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information (herein after referred to as "Separate Ind AS financial statements").

#### **Management's Responsibility for the Separate Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these separate Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the separate Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these separate Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the separate Ind AS financial statements are free from material misstatement.

## AUDITORS' REPORT TO SHAREHOLDERS

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the separate Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the separate Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the separate Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the separate Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the separate Ind AS financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid separate Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31<sup>st</sup> March, 2017, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143(3) of the Act, we report that:
  - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) the balance sheet, the statement of profit and loss, the statement of cash flows and the statement of changes in equity dealt with by this Report are in agreement with the books of account;
  - (d) in our opinion, the aforesaid separate Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rule issued thereunder;

## AUDITORS' REPORT TO SHAREHOLDERS

---

- (e) on the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- (g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. the Company has disclosed the impact of pending litigations on its financial position in its separate Ind AS financial statements - Refer Note No.39 (iii) and (iv) to the separate Ind AS financial statements;

## AUDITORS' REPORT TO SHAREHOLDERS

### "ANNEXURE - A" TO THE INDEPENDENT AUDITORS' REPORT - 31<sup>ST</sup> MARCH, 2017

(Referred to Paragraph 1 under the heading of - "Report on other Legal and Regulatory Requirements" of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and nature of its assets.
- (c) According to the information and explanations given to us on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) The inventories, except goods in transit, have been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable. In respect of inventories lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on verification between the physical stocks and book records were not material.
- (iii) The Company has granted loan to one body corporate covered in the register maintained under Section 189 of the Companies Act, 2013.
  - (a) In our opinion, the rate of interest and other terms and conditions on which the loan had been granted to the body corporate listed in the register maintained under Section 189 of the Act were not, prima facie, prejudicial to the interest of the Company.
  - (b) In the case of loans granted to the body corporate listed in the register maintained under Section 189 of the Act, the borrowers have been regular in the payment of interest as stipulated. The terms of arrangements do not stipulate any repayment schedule and the loan is repayable on demand. Accordingly, paragraph (iii) (b) of the Order is not applicable to the Company in respect of repayment of the principal amount.
  - (c) There are no overdue amounts in respect of the loan granted to a body corporate listed in the register maintained under Section 189 of the Act.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act, with respect to the loans, investments, guarantees and security made.

## AUDITORS' REPORT TO SHAREHOLDERS

- (v) The Company has not accepted any deposits within the meaning of Section 73 to 76 of the act and Companies (Acceptance of Deposits) Rules 2014 from the public during the year.
- (vi) The Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 has specified maintenance of cost records for the Company and such accounts and records have been made and maintained by the Company.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues were in arrears as at 31<sup>st</sup> March, 2017 for a period of more than six months from the date they become payable.

- (b) According to the information and explanations given to us, the following dues of service tax has not been deposited by the Company on account of disputes:

Name of the Statute	Amount (Rs. in Lakhs)	Forum where dispute is pending
Service Tax	193.75	Central Excise, Customs & Service Tax Appellate Tribunal, Chennai

- (viii) The Company has not defaulted in repayment of loans or borrowing to financial institutions or bank. The Company did not have any loans or borrowings from the government or borrowings by way of debentures.
- (ix) The Company has not raised any money by way of initial public offer (including debt instruments). The moneys raised by way of Term Loans were applied for the purposes for which they were raised.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) According to the information and explanations given to us, and based on our examination of the records of the Company, the Company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

## AUDITORS' REPORT TO SHAREHOLDERS

- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company.
- (xiii) According to information and explanations given to us, and based on our examination of the records of the Company, transactions with related parties are in compliance with Sections 177 and 188 of the Act where applicable. The details of such related party transactions have been disclosed in the separate financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (xv) According to the information and explanations given to us and base on our examination of the records of the Company, the Company has not entered into non-cash transactions with Directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.

### "Annexure - B" to the Independent Auditor's Report of even date on the Financial Statements of Rajapalayam Mills Limited

#### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Rajapalayam Mills Limited ("the Company") as of 31<sup>st</sup> March, 2017 in conjunction with our audit of the Separate Ind AS financial statements of the Company for the year ended on that date

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Separate Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## AUDITORS' REPORT TO SHAREHOLDERS

### Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS

### 3. First time adoption of Ind AS

The financial statements for the year ended 31-03-2017 are the first financial statements prepared in accordance with Ind AS. The Reconciliation and description of the effect of transition from previous GAAP to Ind AS on Equity, Statement of Profit and Loss are provided in Note Nos. 48. The Balance sheet as on the date of transition has been prepared in accordance with Ind AS 101 - First time adoption of Indian Accounting Standards (Ind AS). All applicable Ind AS were applied consistently and retrospectively in preparation of the first Ind AS Financial Statements with certain mandatory exceptions and voluntary exemptions for the specific cases as provided under Ind AS 101.

#### Estimates

The estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP unless there is objective evidence that those estimates were in error. The Company has not made any changes to estimates made in accordance with previous GAAP.

- a) The mandatory exceptions for retrospective application as provided under Ind AS 101 that are applicable to the Company are as below:

Mandatory Exceptions under Ind AS 101	Applicability / Compliance
<b>Derecognition of previously recognised financial assets / financial liabilities</b>	
An entity shall apply the derecognition requirements in Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS.	The Company has applied the de-recognition requirements prospectively.
<b>Hedge accounting</b>	
At the date of transition to Ind AS, an entity shall measure all derivatives at fair value and eliminate all deferred losses and gains arising on derivatives that were reported in accordance with previous GAAP as if they were assets or liabilities.	The Company has measured derivatives at fair value through profit or loss.
An entity shall not reflect in its opening Ind AS Balance Sheet a hedging relationship that does not qualify for hedge accounting in accordance with Ind AS 109.	The Company does not have any hedging relationship that meets the qualifying criteria for Hedge accounting.

**NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS**

<b>Mandatory Exceptions under Ind AS 101</b>	<b>Applicability / Compliance</b>
<b>Classification and measurement of financial assets</b>	
Classification and measurement of financial assets shall be made on the basis of the facts and circumstances that exist at the date of transition to Ind AS.	The Company has evaluated the facts and circumstances existing on the date of transition to Ind AS for the purpose of classification and measurement of financial assets and accordingly has classified and measured financial assets on the date of transition.
<b>Impairment of Financial Assets</b>	
Impairment requirements under Ind AS 109 should be applied retrospectively based on the reasonable and supportable information that is available on transition date without undue cost or effort.	The Company has applied impairment requirements retrospectively.

- b) The voluntary exemptions for retrospective application as provided under Ind AS 101 that are applicable to the Company are as below:

<b>Voluntary Exemption under Ind AS 101</b>	<b>Applicability / Option exercised</b>
<b>Deemed Cost</b>	
An entity may elect to measure an item of property, plant and equipment, investment property and intangible asset at the date of transition to Ind AS at its fair value and use that fair value as deemed cost at that date or may measure the items of property, plant and equipment, intangibles by applying Ind AS retrospectively or use the carrying amount under Previous GAAP on the date of transition as deemed cost.	The Company has opted to continue with the carrying amount for all of its property, plant and equipment and intangible assets measured as per Previous GAAP and use that as its deemed cost as at the date of transition.
<b>Investments in Subsidiary and Associates</b>	
An entity is required to account for its investments in subsidiaries, joint ventures and associates either (a) at cost; or (b) in accordance with Ind AS 109. ## NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS

Mandatory Exceptions under Ind AS 101	Applicability / Compliance
<b>Designation of previously recognised financial instruments</b>	
An entity may designate an investment in an equity instrument as at fair value through other comprehensive income (FVTOCI) in accordance with Ind AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS.	The Company has designated all equity instruments in companies other than subsidiaries / associates at FVTOCI, based on the assessment made on the date of transition to Ind AS.

#### 4. Basis of Measurement

The financial statements have been prepared on accrual basis under historical cost convention except for certain financial instruments (Refer Note 5.S - Accounting Policy for Financial Instruments) which are measured at fair value.

#### 5. Significant Accounting Policies

##### A. Inventories

- (i) Raw-materials, Stores & Spares, Fuel, Packing materials etc., are valued at cost, including the cost incurred in bringing the inventories to their present location and condition after providing for obsolescence and other losses or net realisable value whichever is lower. However, these items are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost.
- (ii) Process stock is valued at cost including the cost of conversion with systematic allocation of production and administration overheads, or net realisable value whichever is lower.
- (iii) Finished goods are valued at cost or net realisable value whichever is lower. Cost includes cost of conversion and other costs incurred in bringing the inventory to their present location and condition. Finished goods include stock-in-trade also which comprises cost of purchase and other cost incurred in bringing the inventories to the present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

##### B. Cash Flow Statement

- (i) Cash flows are presented using indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.
- (ii) Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances with original maturity of 3 months or less, highly liquid investments that are readily convertible into cash.

- (iii) Bank borrowings are generally considered to be financing activities. However, where bank overdrafts which are repayable on demand form an integral part of the Company's cash management, bank overdrafts are included as a component of cash and cash equivalents for the purpose of Cash flow statement.

**C. Dividend distribution to Equity shareholders**

Final dividend distribution to Shareholders is recognised in the period in which the dividends are approved by the Shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend together with applicable taxes is recognised directly in Equity.

**D. Income Taxes**

- (i) Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates, the provisions of the Income Tax Act, 1961 and other applicable tax laws.
- (ii) Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future tax liability, is recognised as an asset viz., MAT Credit Entitlement to the extent there is convincing evidence that the Company will pay normal Income tax and it is highly probable that future economic benefits associated with it will flow to the Company during the specified period and the same is included in Deferred Tax Asset. The Company reviews the "MAT Credit Entitlement" at each Balance Sheet date and writes down the carrying amount of the same to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income tax during the specified period.
- (iii) Current tax assets and liabilities are offset, when the Company has legally enforceable right to set off the recognised amounts and intends to settle the asset and the liability on a net basis.
- (iv) Deferred tax is recognised using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting at the reporting date.
- (v) Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year where the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.
- (vi) Both current tax and deferred tax relating to items recognised outside the Profit or Loss is recognised either in "Other Comprehensive Income" or directly in "Equity" as the case may be.
- (vii) Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by same governing tax laws and the Company has legally enforceable right for such set off.

## NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS

### E. Property, plant and equipments (PPE)

- (i) PPEs are stated at cost of acquisition or construction (net of CENVAT / VAT wherever applicable) less accumulated depreciation and impairment losses if any, except freehold land which is carried at cost. - (iv) An impairment loss is reversed when there is an indication that the impairment loss may no longer exist or may have decreased.

**O. Provisions, Contingent Liabilities and Contingent Assets**

- (i) Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources embodying economic benefits in respect of which a reliable estimate can be made.
- (ii) Provisions are discounted if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognised as finance cost. These provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.
- (iii) Insurance claims are accounted on the basis of claims admitted or expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection. Any subsequent change in the recoverability is provided for. Contingent Assets are neither recognised nor disclosed.
- (iv) Contingent liability is a possible obligation that may arise from past events and its existence will be confirmed only by occurrence or non-occurrence of one or more

## NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS

uncertain future events not wholly within the control of the Company or it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the same are not recognised but disclosed in the financial statements.

### P. Intangible Assets

- (i) The costs of computer software acquired and its subsequent improvements are capitalised. Internally generated software is not capitalized and the expenditure is recognized in the Statement of Profit and Loss in the year in which the expenditure is incurred.
- (ii) Intangible Assets are amortised over their estimated useful life on straight line method. The estimated useful lives of intangible assets are assessed by the internal technical team as given below:

Nature of Intangible Assets	Estimated useful life
Computer Software	6 years
Power Transmission System	5 years

- (iii) The intangible assets that are under development phase are carried at cost including related expenses and attributable interest, and are recognised as Intangible assets under development.
- (iv) The residual values, useful lives and methods of depreciation of intangible asset are reviewed at each reporting date and adjusted prospectively, if appropriate.

### Q. Investment Properties

- (i) An investment in land or buildings both furnished and unfurnished, which are held for earning rentals or capital appreciation or both rather than for use in the production or supply of goods or services or for administrative purposes or sale in the ordinary course of business, are classified as investment properties.
- (ii) Investment properties are stated at cost, net of accumulated depreciation and impairment loss, if any except freehold land which is carried at cost.
- (iii) Depreciation on investment properties are calculated on straight-line method based on useful life of the significant components as detailed below:

Asset type	Useful life
Buildings under Investment properties	60 years

- (iv) Investment properties are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such investment properties, are recognised in the Statement of Profit and Loss.

- (v) The residual values, useful lives and methods of depreciation of investment properties are reviewed at each reporting date and adjusted prospectively, if appropriate.

#### **R. Operating Segments**

The Company has two operating / reportable segments viz. Textiles and Power generation from Windmills.

Segments were identified considering the nature of the products, the differing risks and returns as per Ind AS 108 (Segment Reporting).

The inter-segment transfers of units of power from windmills are recognized at the applicable tariff rates of the electricity boards for the purpose of segment reporting as per the relevant accounting standard.

Costs are allocated to the respective segment based upon the actual incidence of respective cost. Unallocated items include general other income and expenses which are not allocated to any business segment.

#### **S. Financial Instruments**

- (i) A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.
- (ii) Financial assets and liabilities are offset and the net amount is presented in the Balance Sheet when and only when the Company has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.
- (iii) The Company initially determines the classification of financial assets and liabilities. After initial recognition, no re-classification is made for financial assets which are categorised as equity instruments at Fair value through Other Comprehensive Income (FVTOCI) and financial assets / liabilities that are specifically designated as Fair value through Profit or Loss (FVTPL). However, other financial assets are re-classifiable when there is a change in the business model of the Company. When the Company reclassifies the financial assets, such reclassifications are done prospectively from the first day of the immediately next reporting period. The Company does not restate any previously recognised gains, losses including impairment gains or losses or interest.

#### **T. Financial Assets**

- (i) Financial assets comprise of investments in Equity, Trade Receivables, Cash and Cash Equivalents and Other Financial Assets.
- (ii) Depending on the business model (i.e) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at:

## NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS

- a) Amortised cost; or
- b) Fair value through Other Comprehensive Income (FVTOCI); or
- c) Fair value through Profit or Loss (FVTPL)

Amortised cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.

- (iii) The Company has evaluated the facts and circumstances on date of transition to Ind AS for the purpose of classification and measurement of financial assets. Accordingly, financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents solely payments of principal and interest thereon, are measured as detailed below depending on the business model:

<b>Classification</b>	<b>Business Model</b>
Amortised cost	The objective of the Company is to hold and collect the contractual cash flows till maturity. In other words, the Company do not intend to sell the instrument before its contractual maturity to realise its fair value changes.
FVTOCI	The objective of the Company is to collect its contractual cash flows and selling financial assets.

- (iv) Investment in equity of associates are carried at cost (i.e) previous GAAP carrying amount as the date of transition to Ind AS. The Company has exercised an irrevocable option at time of initial recognition to measure the changes in fair value of other equity investments at FVTOCI. Accordingly, the Company classifies its financial assets for measurement as below:

<b>Classification</b>	<b>Name of Financial Assets</b>
Amortised cost	Trade receivables, Loans and advances to employees and related parties, deposits, IPA receivable, interest receivable, unbilled revenue and other advances recoverable in cash or kind.
FVTOCI	Equity investments in companies other than Associates as an option exercised at the time of initial recognition.
FVTPL	Forward exchange contracts.

- (v) Financial assets are derecognised (i.e) removed from the financial statements, when its contractual rights to the cash flows expire or upon transfer of the said

## NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS

assets. The Company also derecognises when it has an obligation to adjust the cash flows arising from the financial asset with third party and either upon transfer of:

- a. significant risk and rewards of the financial asset, or
- b. control of the financial asset

However, the Company continue to recognise the transferred financial asset and its associated liability to the extent of its continuing involvement, which are measured on the basis of retainment of its rights and obligations of financial asset. The Company has applied the de-recognition requirements prospectively.

- (vi) Upon derecognition of its financial asset or part thereof, the difference between the carrying amount measured at the date of recognition and the consideration received including any new asset obtained less any new liability assumed shall be recognised in the Statement of Profit and Loss.
- (vii) For impairment purposes, significant financial assets are tested on individual basis at each reporting date. Other financial assets are assessed collectively in groups that share similar credit risk characteristics. Accordingly, the impairment testing is done retrospectively on the following basis:

Name of Financial Asset	Impairment testing methodology
Trade receivables	Expected Credit Loss model (ECL) is applied. The ECL over life time of the assets are estimated by using a provision matrix which is based on historical loss rates reflecting current conditions and forecasts of future economic conditions which are grouped on the basis of similar credit characteristics such as nature of industry, customer segment, past due status and other factors that are relevant to estimate the expected cash loss from these assets.
Other Financial assets	When the credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. When there is significant change in credit risk since initial recognition, the impairment is measured based on probability of default over the life time. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

### U. Financial Liabilities

- (i) Financial liabilities comprise of Borrowings from Banks, Trade payables, Derivative financial instruments, Financial guarantee obligation and other financial liabilities.
- (ii) The Company measures its financial liabilities as below:

Measurement basis	Name of Financial liabilities
Amortised cost	Borrowings, Trade payables, Interest accrued, Unclaimed / Disputed dividends, Security deposits and other financial liabilities not for trading.
FVTPL	Foreign exchange Forward contracts being derivative contracts do not qualify for hedge accounting under Ind AS 109.

- (iii) Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Transaction cost of financial guarantee contracts that are directly attributable to the issuance of the guarantee are recognised initially as a liability at fair value. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.
- (iv) Financial liabilities are derecognised when and only when it is extinguished (i.e) when the obligation specified in the contract is discharged or cancelled or expired.
- (v) Upon de-recognition of its financial liabilities or part thereof, the difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liabilities assumed is recognised in the Statement of Profit and Loss.

### V. Fair value measurement

- (i) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.
- (ii) The fair value of an asset or a liability is measured / disclosed using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.
- (iii) All assets and liabilities for which fair value is measured are disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input

that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities

Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are unobservable.

- (iv) For assets and liabilities that are recognised in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.
- (v) For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.
- (vi) The basis for fair value determination for measurement and / or disclosure purposes is detailed below:

**a) Investments in Equity**

The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using generally accepted valuation techniques.

**b) Forward exchange contracts**

The fair value of forward exchange contracts is based on the quoted price if available; otherwise it is estimated by discounting the difference between contractual forward price and current forward price for the residual maturity of the contract using government bond rates.

**c) Non-derivative financial liabilities**

The fair value of non-derivative financial liabilities viz, borrowings are determined for disclosure purposes calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

**d) Financial guarantee obligation**

The fair value of financial guarantee obligation with reference to loan availed by associates is determined on the basis of estimated cost involved in securing equivalent size of the guarantees from bank.

---

### e) Investment Properties

The fair value of Investment property disclosed in Note No. 7. The fair values are determined based on valuation report given by an Independent Valuer.

### W. Significant Estimates and Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years.

Accordingly, the management has applied the following estimates / assumptions / judgements in preparation and presentation of financial statements:

#### (i) Property, Plant and Equipment, Intangible Assets and Investment Properties

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by technical team duly reviewed by the management at each reporting date. Wherever the management believes that the assigned useful life and residual value are appropriate, such recommendations are accepted and adopted for computation of depreciation/amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

#### (ii) Current Taxes

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law.

#### (iii) Deferred Tax Asset (Including MAT Credit Entitlement)

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained / recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

#### (iv) Contingent Liabilities

Management judgement is exercised for estimating the possible outflow of resources, if any, in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

**(v) Impairment of Trade receivables**

The impairment for financial assets are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward looking estimates at the end of each reporting date.

**(vi) Impairment of Non-financial assets (PPE/Intangible Assets / Investment Properties)**

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

**(vii) Defined Benefit Plans and Other long term benefits**

The cost of the defined benefit plan and other long term benefits, and the present value of such obligation are determined by the independent actuarial valuer. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rate are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions.

**(viii) Fair value measurement of financial instruments**

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model, to determine its fair value. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is exercised in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

**(ix) Interests in other entities**

Significant management judgement is exercised in determining the interests in other entities. The management believes that wherever there is significant influence over certain companies belong to its group, such companies are treated as Associate companies even though it holds less than 20% of the voting rights.

## NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS

### NOTE NO. 45

#### Disclosure of Fair value measurements

The fair values of financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.

**NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS**

**Fair value hierarchy**

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (Unadjusted) prices in active markets for identical assets or liabilities.

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The details of financial instruments that are measured at fair value on recurring basis are given below:

### NOTE NO. 46

#### Financial Risk Management

The Board of Directors (BOD) has overall responsibility for the establishment and oversight of the Company's risk management framework and thus established a risk management policy to identify and analyse the risk faced by the Company. Risk Management systems are reviewed by the BOD periodically to reflect changes in market conditions and the Company's activities. The Company through its training and management standards and procedures develop a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the risk management framework. The Audit committee is assisted in the oversight role by Internal Audit. Internal Audit undertakes reviews of the risk management controls and procedures, the results of which are reported to the Audit Committee.

The Company has the following financial risks:

Categories of Risk	Nature of Risk
Credit Risk	Receivables
	Financial Instruments and Cash deposits
Liquidity Risk	Fund Management
Market Risk	Foreign Currency Risk
	Cash flow and fair value interest rate risk

The Board of Directors regularly reviews these risks and approves the risk management policies, which covers the management of these risks:

#### Credit Risk

Credit Risk is the risk of financial loss to the Company if the customer or counterparty to the financial instruments fails to meet its contractual obligations and arises principally from the Company's receivables, treasury operations and other operations that are in the nature of lease.

#### Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer. The Company extends credit to its customers in the normal course of business by considering the factors such as financial reliability of customers. The Company evaluates the concentration of the risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. In case of Corporate / Export Customer, credit risks are mitigated by way of enforceable securities. However, unsecured credits are extended based on creditworthiness of the customers on case to case basis.

Trade receivables are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company and where there is a probability of default, the company creates a provision based on Expected Credit Loss for trade receivables under simplified approach as below:

**Financial Instruments and Cash deposits**

Investments of surplus funds are made only with the approved counterparties. The Company is presently exposed to counter party risk relating to short term and medium term deposits placed with Banks. The Company places its cash equivalents based on the creditworthiness of the financial institutions.

**Liquidity Risk**

Liquidity Risks are those risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. In the management of liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the company's operations and to mitigate the effects of fluctuations in cash flows. Due to the dynamic nature of the underlying business, the Company aims at maintaining flexibility in funding by keeping both committed and uncommitted credit lines available. The Company has laid well defined policies and procedures facilitated by robust information system for timely and qualitative decision making by the management including its day to day operations.

**Financial arrangements**

The Company has access to the following undrawn borrowing facilities:

**Foreign Currency Risk**

The Company's exposure in USD and other foreign currency denominated transactions in connection with import of cotton, capital goods & spares, besides exports of finished goods and borrowings in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk:

Decisions regarding borrowing in Foreign Currency and hedging thereof, (both interest and exchange rate risk) and the quantum of coverage is driven by the necessity to keep the cost comparable. Foreign Currency loans, imports and exports transactions are hedged by way of forward contract after taking into consideration the anticipated Foreign exchange inflows/outflows, timing of cash flows, tenure of the forward contract and prevailing Foreign exchange market conditions.

**The Company's exposure to foreign currency risk (un-hedged) as detailed below:**

**Cash flow and fair value interest rate risk**

Interest rate risk arises from long term borrowings with variable rates which exposed the Company to cash flow interest rate risk. The Company's fixed rate borrowing are carried at amortized cost and therefore are not subject to interest rate risk as defined in Ind AS 107 since neither the carrying amount nor the future cash flows will fluctuate because of the change in market interest rates. The Company is exposed to the evolution of interest rates and credit markets for its future refinancing, which may result in a lower or higher cost of financing, which is mainly addressed through the management of the fixed/floating ratio of financial liabilities. The Company constantly monitors credit markets to strategize a well-balanced maturity profile in order to reduce both the risk of refinancing and large fluctuations of its financing cost. The Company believes that it can source funds for both short term and long term at a competitive rate considering its strong fundamentals on its financial position.

**Notes**

In preparing these financial statements, the Company's Opening Balance Sheet was prepared as at 01-04-2015, which is the Company's date of transition to Ind AS. The following note explains the nature of adjustments made by the Company read with Note No. 3 in restating its previous GAAP Financial Statements including its Balance Sheet as at 01-04-2015 and the financial statements as at and for the year ended 31-03-2016. The previous GAAP figures have been reclassified to conform to Ind AS presentation requirements for the purpose of this disclosure.

## NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS

---

### A. Depreciation and Amortization Expense

Under previous GAAP, the carrying value of significant components of Property, Plant and Equipment which have completed their useful life, have been charged off against opening balance of General Reserves for the financial year 2015-16 as permitted by Schedule II to the Companies Act, 2013. However, under Ind AS, this has been taken through profit and loss for the year ended 31-03-2016 as it not a GAAP difference.

### B. Investment Properties

Under previous GAAP as well as Ind AS, Investment Properties are required to be stated at cost net of accumulated depreciation and impairment loss, if any. Under previous GAAP, it was grouped under non-current investments whereas under Ind AS, the same is required to be disclosed as a separate line item in the Balance Sheet. Accordingly, investment properties are reclassified.

### C. Investments

Under previous GAAP, long term equity instruments were measured at cost less provision for permanent diminution. Under Ind AS, in respect of investments in companies other than Associates, the Company is required to designate such investments necessarily at fair value. Therefore, the Company has designated such investments as FVTOCI Investments. At the date of transition to Ind AS, the excess /deficit of fair value of equity instruments over the previous GAAP carrying amount is recognised as fair value gain/loss, in the Other Comprehensive Income and transferred to FVTOCI Reserve, net of tax for the year ended 31-03-2016.

### D. Financial Guarantee Contracts

The Company has issued Financial Guarantee to Banks for the loans availed by Associates and other related parties. Where guarantees in relation to loans are provided for no compensation, the fair values are accounted for as contributions and recognised as part of the cost of the investment if the loan is given to Associates, and recognized as Other expenses if the loan is given to other related parties. The carrying amount of financial guarantee obligation is recognized as other income over the tenure of the corporate guarantee.

### E. Recognition & Measurement of Loans & Advances at Amortized Cost

Loans and advances comprise of loans given to employees at concessional interest rates and the said loans are recovered in agreed installments. Under previous GAAP, this has been measured at Transaction value. However, under Ind AS, when the said loans and advances carry interest below the market rate is required to be measured at fair value on initial recognition. The fair value is determined at the present value of EMI, discounted using the market interest rates for similar instruments. The difference between historical value and fair value of such loans and advances are classified under prepaid expenses.

Subsequent to initial recognition, the loans and advances are measured at amortized cost using the effective interest rate method with the carrying amount increased over the period upto the recovery of the loans and advances. The amount of increase in the carrying amount of loans and advances is recognized as 'Interest Income' and prepaid expenses are amortized over the tenure of loans and advances as 'Employee cost' or 'Other Expenses', as it may be appropriate.

### F. Presentation of MAT Credit Entitlement as 'Deferred Tax Assets'

Under previous GAAP, MAT credit entitlement was presented under the head 'Loans and advances' since there being a convincing evidence of realization of the asset. As per Ind AS 12 on Income Taxes, Deferred Tax Assets include the amounts of income taxes recoverable in future periods in respect of the carry forward of unused tax credits. Accordingly, MAT Credit Entitlement classified as Loans and Advances under previous GAAP, are netted off against Deferred Tax Liability under Ind AS.

**G. Dividend**

Under previous GAAP, dividends proposed by the Board of Directors are recognized as proposed dividend in the financial statements even though it is approved by the Shareholders in the AGM only after the Balance Sheet date. However, under Ind AS, dividend has to be recognized upon approval by the Shareholders in the Annual General Meeting. Accordingly, Proposed Dividend (including Dividend Distribution Tax recognized as liability in the financial year 2014-15 as per previous GAAP has been reversed with corresponding credit to Equity as at the date of transition i.e. 01-04-2015 and recognized in the Equity during the year ended 31-03-2016 as declared and paid.

**H. Transaction cost on Borrowings**

Under previous GAAP, transaction costs (loan processing fees) incurred in connection with borrowings is charged to profit or loss upfront. Under Ind AS, transaction cost is to be included in the initial recognition and charged to profit or loss using the effective interest method. Accordingly, transaction cost on borrowings is reversed to Equity, for the loans outstanding as at 01-04-2015 and additional interest expense is recognized in the Opening Equity for the period upto 01-04-2015, using Effective Interest Rate method (EIR). For the year ended 31-03-2016, the Company has reversed the transaction cost pertaining to the Borrowings availed during the year 2015-16 and the additional Interest impact computed using EIR method is recognized as Finance cost.

**I. Recognition and Measurement of Forward Contracts on Mark To Market (MTM)**

Under previous GAAP, in respect of forward contracts, the difference between the forward rate and the exchange rate at the inception of the forward exchange contract is recognized as income/expenses over the tenure of such contract. Under Ind AS, the fair value of forward foreign exchange contracts has to be recognized. Accordingly, the assets and liabilities related to forward contracts recognized under previous GAAP are reversed and Mark to Market (MTM) gain / loss is recognized as other expenses in the Statement of Profit and Loss.

**J. Deferred Tax**

Deferred tax is accounted using income statement approach by computing the differences between taxable profits and accounting profits for the period under previous GAAP. As per Ind AS 12, the deferred tax is to be computed using the balance sheet approach, which is based on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. Deferred tax adjustments are recognized either in retained earnings or a separate component of equity.

**K. Defined Benefit Plan**

Under previous GAAP, actuarial gains and losses are charged to profit or loss. Under Ind AS re-measurements of net defined benefit asset/liability comprising of actuarial gains or losses are arising from experience adjustments and changes in actuarial assumption are charged/credited to other comprehensive income. There is no impact on the total equity as at 31-03-2016. However for the period upto the date of transition, the Company has transferred all re-measurement costs recognized in the past periods within accumulated profits or loss (a component of equity), in accordance with provisions of Para 122 of Ind AS 19.

**L. Other Comprehensive Income (OCI)**

This is a new classification under Ind AS. Any income or expense that are not required to be recognized in profit or loss are shown under a new category namely OCI in the Statement of Profit and Loss. Expenses of such items are re-measurements of defined benefit plans, gains and losses from investments in equity instruments designated at fair value through other comprehensive income, gains and losses on financial assets measured at fair value through other comprehensive income, gain or loss on financial instruments that qualify for hedge accounting, changes in revaluation surplus and gains and losses arising from translating the financial statements of a foreign operation.

### INDEPENDENT AUDITOR'S REPORT

#### To the Members of M/s. Rajapalayam Mills Limited

#### Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated Ind AS financial statements of Rajapalayam Mills Limited (hereinafter referred to as "the Parent Company") and its associates, comprising the Consolidated Balance Sheet as at 31<sup>st</sup> March, 2017, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement, Consolidated Statement of Changes in Equity, for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

#### Management's Responsibility for the Consolidated Financial Statements

- i. The Parent Company's Board of Directors is responsible for the preparation of these Consolidated Financial Statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated financial position, consolidated cash flows and consolidated statement of changes in equity in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards specified under Section 133 of the Act.

The respective Board of Directors of the Parent Company and its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safe guarding the assets and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent Company as aforesaid.

- ii. In reaching conclusions commented upon above, we have relied on our audit of the Parent Company and Management Certification in the case of associates which are unaudited.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Consolidated Financial Statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the Accounting and Auditing Standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

## CONSOLIDATED AUDITORS' REPORT TO SHAREHOLDERS

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Parent Company's preparation of the Consolidated Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Parent Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Financial Statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the management representations on separate financial statements and on the other financial information of the associates, the aforesaid Consolidated Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards, of the consolidated state of affairs (financial position) of the Parent Company and its associates as at 31<sup>st</sup> March, 2017 and their Consolidated Profit (financial performance including Other Comprehensive Income), their Consolidated Cash Flows and Consolidated Statement of Changes in Equity for the year ended on 31<sup>st</sup> March, 2017.

### **Other Matters**

The Consolidated Financial Statements also include the Parent Company's share of net profit of Rs. 10,984.35 Lakhs and share of Other Comprehensive Loss of associates amounting to Rs. (42.49) Lakhs for the year ended 31<sup>st</sup> March, 2017 which was considered in the consolidated financial statements in respect of Six Associates whose financial statements / financial information have not been audited by us. These financial statements / financial information are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these associates, and our report in terms of sub section (3) of Section 143 of the Act in so far as it relates

## CONSOLIDATED AUDITORS' REPORT TO SHAREHOLDERS

---

to the aforesaid associates is based solely on such unaudited financial statements / financial information. In our opinion, and according to the information and explanations give to us by the Management, these financial statements / financial information are not material to the Parent Company.

Our opinion above on the consolidated financial statements, and our report on other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the financial statements / financial information certified by the Management.

### **Report on Other Legal and Regulatory Requirements**

As required by Section 143(3) of the Act based on our audit and on the consideration of separate financial statements / financial information on the associates furnished by the Management as noted in the 'other matter' paragraph, we report, to the extent applicable, that:

1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
2. In our opinion, proper books of accounts as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the financial statements furnished by the management in respect of associates.
3. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
4. In our opinion, the aforesaid Consolidated Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
5. On the basis of the written representations received from the Directors of the Parent Company as on 31 March 2017 taken on record by the Board of Directors of the Parent Company and Management Certification in the case of the unaudited associate companies, none of the Directors of the Group and its associate companies is disqualified as on 31<sup>st</sup> March, 2017 from being appointed as a Director in terms of Section 164 (2) of the Act.
6. We have enclosed our separate report in "Annexure A" with respect to the adequacy of the internal financial controls over financial reporting of the entities in the Parent Company and associate companies and the operating effectiveness of such controls. We have relied on the management certification in respect of the unaudited associates with respect to the adequacy of internal financial controls over financial reporting. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of entities in the Parent Company and the associate companies.

## CONSOLIDATED AUDITORS' REPORT TO SHAREHOLDERS

7. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of separate financial statements / financial information on the associates furnished by the Management as noted in the 'other matter' paragraph:
- i. The details of the pending litigations and its impact on the Financial Statements have been disclosed in the Separate Financial Statements of the Parent Company and by the associates.
  - ii. The Parent company and associate companies did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the entities in the Parent company and its associates.
  - iv. The Companies comprising the Parent Company and associate companies have provided requisite disclosures in its Financial Statements as to holdings as well as dealings in Specified Bank Notes during the period from 8<sup>th</sup> November, 2016 to 30<sup>th</sup> December, 2016 and these are in accordance with the books of accounts maintained by the Holding Company.
  - v. In reaching conclusions commented upon in items i) to iv) above, we have relied on our audit of the Parent Company and the Management Certification in the case of associates which are unaudited.

## CONSOLIDATED AUDITORS' REPORT TO SHAREHOLDERS

---

### "ANNEXURE A" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS DRAWN IN ACCORDANCE WITH INDIAN ACCOUNTING STANDARDS, OF RAJAPALAYAM MILLS LIMITED

#### **Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Rajapalayam Mills Limited, and its associates ("the Group") as of 31<sup>st</sup> March, 2017 in conjunction with our audit of the Consolidated Financial Statements of the Parent Company for the year ended on 31<sup>st</sup> March, 2017.

#### **Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Parent Company and its associate companies, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by ICAI and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

#### **Other Matters**

We have relied on a) our audit of the Parent Company and the Management Certification in the case of associates which are unaudited.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Parent Company, and its associates company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2017, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Registered office of the Company is located at Rajapalayam Mills Premises, P.A.C. Ramasamy Raja Salai, Rajapalayam - 626 117, Tamil Nadu, India. The Company's shares are listed in BSE Limited. The Company is principally engaged in manufacture of Yarn. The Company is also engaged in generation of electricity from its windmills for its captive consumption.

The consolidated financial statements of the Company for the year ended 31-03-2017 were approved and adopted by Board of Directors of the Company in their meeting dated 25-05-2017.

## 2. Basis of Preparation of Consolidated Financial Statements (CFS)

- (i) The consolidated financial statements for the period upto 31-03-2016 were prepared in accordance with Accounting Standards notified under section 133 of the Companies Act, 2013 read together with Rule 7 of the Companies (Accounts) Rules, 2014 (Previous GAAP). Pursuant to the mandatory requirement for adoption of Indian Accounting Standards (Ind AS) as notified by Ministry of Corporate Affairs (MCA), the Company has prepared its financial statements for the year ended 31-03-2017 in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules 2015 as amended from time to time. The Company has reclassified some of the non-trade investment as investment in 'Associates' in accordance with Ind AS. The Company, under previous GAAP has not consolidated 'Associates' acquired during the past period.
- (ii) The significant accounting policies used in preparing the financial statements are set out in Note No.6.
- (iii) An asset is classified as current when it is expected to be realised or intended to be sold or consumed in the normal operating cycle or held primarily for the purpose of trading or expected to be realised within 12 months after the reporting period or cash or cash equivalents unless restricted from being exchanged or used to settle a liability 12 months after the reporting period. All other assets are classified as non-current.
- (iv) A liability is classified as current when it is expected to be settled in normal operating cycle or held primarily for the purpose of trading or due for settlement within 12 months after the reporting period or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.
- (v) The Company has considered its operating cycle to be 12 months for the purpose of Current or Non-current classification of assets and liabilities.
- (vi) The consolidated financial statements are presented in Indian Rupees rounded to the nearest Lakhs with two decimals. The amount below the round off norm adopted by the Company is denoted as Rs.0.00 Lakhs.
- (vii) Pursuant to General Circular No.39/2014 dated 14-10-2014 issued by the Ministry of Corporate Affairs that the disclosures made already under the Separate financial statements

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

are not merely repeated and thus the disclosures that are relevant arising out of consolidation have only been presented.

- (viii) The CFS comprises the financial statements of Rajapalayam Mills Limited and its Associate Companies. The list of Companies which are included in consolidation and the Company's holding and voting rights therein are as under:

Name of the Associates	% of Holding & Voting Rights	
	2016-17	2015-16
The Ramco Cements Limited	13.82%	13.82%
Ramco Industries Limited	9.14%	9.14%
Ramco Systems Limited	2.41%	2.45%
The Ramaraju Surgical Cotton Mills Limited	0.10%	0.10%
Sri Vishnu Shankar Mill Limited	2.56%	2.56%
Ontime Industrial Services Limited	17.77%	17.77%

- (ix) The Financial Statements of above Associates Companies have not been audited for the year ended March 31, 2017 and have been consolidated on the basis of the accounts as certified by their respective Management.

### 3. Principles of Consolidation

- a) Associates are the entities over which the Company has significant influence. Investments in Associates are accounted for using equity method of accounting.
- b) While preparing these consolidated financial statements, the Company has first prepared its opening Balance sheet as at 01-04-2015, the date of transition to Ind AS. Ind AS 101 provides an option to apply Ind AS-103 prospectively from the transition date. This provides relief from full retrospective application that would require restatement of all business combinations prior to transition date. This exemption is also available for investments in Associates. The Company has elected to apply the equity method of accounting for investments made in Associates prospectively from the transition date i.e. 01-04-2015. In accordance with Ind AS-101, the deemed cost of Goodwill / Capital Reserve has been computed as the difference at the date of transition to Ind AS (01-04-2015) between:
  - I. The Company's share of fair value of net assets of Associates; and
  - II. The Company's cost in the separate financial statements of its investment in the Associates.
- c) Under equity method of accounting, the investments are initially recognized at the fair value of net asset of Associate Company and adjusted thereafter to recognize the Company's share of post-acquisition profits or losses of the Associate in the profit & loss and the Company's share of other comprehensive income of the Associate in other comprehensive income of the Company.

- d) Dividend received or receivable from Associates are recognized as a reduction in the carrying amount of the Investment.
- e) Unrealised gains on transactions between the group and its associates and joint ventures are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.
- f) The carrying amount of equity accounted investments are tested for impairment in accordance with the policy described in Note (N) below.
- g) The CFS has been prepared using uniform accounting policies for like transactions and other events in similar circumstances and is presented, to the extent possible, in the same manner as the Company's Separate financial statements.

#### 4. First time adoption of Ind AS

The financial statements for the year ended 31-03-2017 are the first financial statements prepared in accordance with Ind AS. Since the Company has not presented consolidated financial statements under previous GAAP, the Reconciliation and description of the effect of transition from previous GAAP to Ind AS on Equity, Statement of Profit and Loss and Cash flow are not applicable. The Balance sheet as on the date of transition has been prepared in accordance with Ind AS 101 - First time adoption of Indian Accounting Standards (Ind AS). All applicable Ind AS were applied consistently and retrospectively in preparation of the first Ind AS Financial Statements with certain mandatory exceptions and voluntary exemptions for the specific cases as provided under Ind AS 101.

##### Estimates

The estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP unless there is objective evidence that those estimates were in error.

The Company has not made any changes to estimates made in accordance with previous GAAP.

## 5. Basis of Measurement

The financial statements have been prepared on accrual basis under historical cost convention except for certain financial instruments (Refer Note 5.S - Accounting Policy for Financial Instruments) and defined benefit plan assets which are measured at fair value.

## 6. Significant Accounting Policies

### A. Inventories

- (i) Raw-materials, Stores & Spares, Fuel, Packing materials etc., are valued at cost, including the cost incurred in bringing the inventories to their present location and condition after providing for obsolescence and other losses or net realisable value whichever is lower. However, these items are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost.
- (ii) Process stock is valued at cost including the cost of conversion with systematic allocation of production and administration overheads, or net realisable value whichever is lower.
- (iii) Finished goods are valued at cost or net realisable value whichever is lower. Cost includes cost of conversion and other costs incurred in bringing the inventory to their present location and condition. Finished goods include stock-in-trade also which comprises cost of purchase and other cost incurred in bringing the inventories to the present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

### B. Cash Flow Statement

- (i) Cash flows are presented using indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.
- (ii) Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances less than 3 months, highly liquid investments that are readily convertible into cash.
- (iii) Bank borrowings are generally considered to be financing activities. However, where bank overdrafts which are repayable on demand form an integral part of an entity's cash management, bank overdrafts are included as a component of cash and cash equivalents for the purpose of Cash flow statement.

### C. Dividend distribution to Equity shareholders

Final dividend distribution to Shareholders is recognised in the period in which the dividends are approved by the Shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend together with applicable taxes is recognised directly in Equity.

**D. Income Taxes**

- (i) Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates, the provisions of the Income Tax Act, 1961 and other applicable tax laws.
- (ii) Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future tax liability, is recognised as an asset viz., MAT Credit Entitlement to the extent there is convincing evidence that the Company will pay normal Income tax and it is highly probable that future economic benefits associated with it will flow to the Company during the specified period and the same is included in Deferred Tax Asset. The Company reviews the "MAT Credit Entitlement" at each Balance Sheet date and writes down the carrying amount of the same to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income tax during the specified period.
- (iii) Current tax assets and liabilities are offset, when the Company has legally enforceable right to set off the recognised amounts and intends to settle the asset and the liability on a net basis.
- (iv) Deferred tax is recognised using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting at the reporting date.
- (v) Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year where the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.
- (vi) Both current tax and deferred tax relating to items recognised outside the Profit or Loss is recognised either in "Other Comprehensive Income" or directly in "Equity" as the case may be.
- (vii) Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by same governing tax laws and the Company has legally enforceable right for such set off.

**E. Property, plant and equipments (PPE)**

- (i) PPEs are stated at cost of acquisition or construction (net of CENVAT / VAT wherever applicable) less accumulated depreciation / amortisation and impairment losses if any, except freehold land which is carried at cost. The cost comprises of purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.
- (ii) The Company identifies the significant parts of plant and equipment separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives. The cost of replacement of significant parts are capitalised and the carrying amount of replaced parts are de-recognised. When each major

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

inspection / overhauling is performed, its cost is recognised in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of the previous inspection/overhauling (as distinct from physical parts) is de-recognised.

- (iii) Other expenses on fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalisation criteria in accordance with Ind AS 16 are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.
- (iv) The present value of the expected cost for the decommissioning of PPE after its use, if materially significant, is included in the cost of the respective asset when the recognition criteria are met.
- (v) The Company believes that the useful lives of the significant parts of certain class of PPE on best estimate basis upon technical estimate, as detailed below, that are different from the useful lives prescribed under Part C of Schedule II of the Companies Act, 2013:

Type of Plant and Machinery	Useful life of such components ranging from
Textile Machineries / Equipment	10 to 25 Years
Wind Mills	22 to 30 Years
HFO & DG Sets	12 to 25 Years
Electrical Machineries	3 to 25 years

- (vi) PPE acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash transaction. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident.
- (vii) PPEs are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such assets, are recognised in the Statement of Profit and Loss. Amount receivable towards PPE that are impaired and derecognized in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.
- (viii) Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life on a straight line method. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less 5% being its residual value, except for process control systems whose residual value is considered as Nil.
- (ix) Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion / disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded / sold.

- (x) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each reporting date and adjusted prospectively, if appropriate.

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

---

- (ii) All transactions in foreign currency are recorded on initial recognition at their functional currency exchange rates prevailing on that date.
- (iii) Monetary assets and liabilities in foreign currencies outstanding at the reporting date are translated to the functional currency at the exchange rates prevailing on the reporting date and the resultant gains or losses are recognised during the year in the Statement of Profit and Loss.
- (iv) Non-monetary items which are carried at historical cost denominated in foreign currency are reported using the exchange rates at the date of transaction.

### **L. Borrowing Costs**

- (i) Borrowing cost include interest computed using Effective Interest Rate method, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.
- (ii) Borrowing costs that are directly attributable to the acquisition, construction, production of a qualifying asset are capitalised as part of the cost of that asset which takes substantial period of time to get ready for its intended use. The Company determines the amount of borrowing cost eligible for capitalisation by applying capitalisation rate to the expenditure incurred on such cost. The capitalisation rate is determined based on the weighted average rate of borrowing cost applicable to the borrowings of the Company which are outstanding during the period, other than borrowings made specifically towards purchase of the qualifying asset. The amount of borrowing cost that the Company capitalises during the period does not exceed the amount of borrowing cost incurred during that period. All other borrowings cost are expensed in the period in which they occur.

### **M. Earnings per Share**

- (i) Earnings per share is calculated by dividing the Net profit after tax by the weighted average number of equity shares outstanding during the year, after deducting treasury shares which represents holding of its own shares indirectly through associates by way of reciprocal interests.
- (ii) Where an item of income or expense which is otherwise required to be recognised in the Statement of Profit and Loss is debited or credited to Equity, the amount in respect thereof is suitably adjusted in Net profit for the purpose of computing Earnings per share.
- (iii) The Company do not have any potential equity shares.

### **N. Impairment of Non-Financial Assets**

- (i) The carrying values of assets include property, plant and equipment, investment properties, cash generating units and intangible assets are reviewed for impairment at each Balance Sheet date, if there is any indication of impairment based on internal and external factors.

- (ii) Non-financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight line basis.
- (iii) An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.
- (iv) An impairment loss is reversed when there is an indication that the impairment loss may no longer exist or may have decreased.

**O. Provisions, Contingent Liabilities and Contingent Assets**

- (i) Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources embodying economic benefits in respect of which a reliable estimate can be made.
- (ii) Provisions are discounted if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognised as finance cost. These provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.
- (iii) Insurance claims are accounted on the basis of claims admitted or expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection. Any subsequent change in the recoverability is provided for. Contingent Assets are neither recognised nor disclosed.
- (iv) Contingent liability is a possible obligation that may arise from past events and its existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the same are not recognised but disclosed in the financial statements.

**P. Intangible Assets**

- (i) The costs of computer software acquired and its subsequent improvements are capitalised. Internally generated software is not capitalized and the expenditure is recognized in the Statement of Profit and Loss in the year in which the expenditure is incurred.
- (ii) Intangible Assets are amortised over their estimated useful life on straight line method. The estimated useful lives of intangible assets are assessed by the internal technical team as given below:

Nature of Intangible Assets	Estimated useful life
Computer Software	6 years
Power Transmission System	5 years

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

---

- (iii) The intangible assets that are under development phase are carried at cost including related expenses and attributable interest, and are recognised as Intangible assets under development.
- (iv) The residual values, useful lives and methods of depreciation of intangible asset are reviewed at each reporting date and adjusted prospectively, if appropriate.

### **Q. Investment Properties**

- (i) An investment in land or buildings both furnished and unfurnished, which are held for earning rentals or capital appreciation or both rather than for use in the production or supply of goods or services or for administrative purposes or sale in the ordinary course of business, are classified as investment properties.
- (ii) Investment properties are stated at cost, net of accumulated depreciation and impairment loss, if any except freehold land which is carried at cost.
- (iii) Depreciation on investment properties are calculated on straight-line method based on useful life of the significant components as detailed below:

<b>Asset type</b>	<b>Useful life</b>
Buildings under Investment properties	60 years

- (iv) Investment properties are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such investment properties, are recognised in the Statement of Profit and Loss. Amount receivable towards investment properties that are impaired and derecognized in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.
- (v) The residual values, useful lives and methods of depreciation of investment properties are reviewed at each reporting date and adjusted prospectively, if appropriate.

### **R. Operating Segments**

The Company prepares its segment information in conformity with accounting policies adopted for preparing and presenting the financial statements of the company as a whole.

The Company identifies business segment as the primary segment. Under the primary segment, there are two reportable segments viz., Textiles and Power generation from Windmills.

Segments were identified considering the nature of the products, the differing risks and returns as per Ind AS 108 (Segment Reporting).

The inter-segment transfers of units of power from windmills are recognized at the applicable tariff rates of the electricity boards for the purpose of segment reporting as per the relevant accounting standard.

Costs are allocated to the respective segment based upon the actual incidence of respective cost. Unallocated items include general other income and expenses which are not allocated to any business segment.

#### **S. Financial Instruments**

- (i) A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.
- (ii) Financial assets and liabilities are offset and the net amount is presented in the Balance Sheet when and only when the Company has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.
- (iii) The Company initially determines the classification of financial assets and liabilities. After initial recognition, no re-classification is made for financial assets which are categorised as equity instruments at Fair value through Other Comprehensive Income (FVTOCI) and financial assets / liabilities that are specifically designated as Fair value through Profit or Loss (FVTPL). However, other financial assets are re-classifiable when there is a change in the business model of the Company. When the Company reclassifies the financial assets, such reclassifications are done prospectively from the first day of the immediately next reporting period. The Company does not restate any previously recognised gains, losses including impairment gains or losses or interest.

#### **T. Financial Assets**

- (i) Financial assets comprise of investments in Equity, Trade Receivables, Cash and Cash Equivalents and Other Financial Assets.
- (ii) Depending on the business model (i.e) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at:
  - a) Amortised cost; or
  - b) Fair value through Other Comprehensive Income (FVTOCI); or
  - c) Fair value through Profit or Loss (FVTPL)

Amortised cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.

- (iii) The Company has evaluated the facts and circumstances on date of transition to Ind AS for the purpose of classification and measurement of financial assets. Accordingly, financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents solely

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

payments of principal and interest thereon, are measured as detailed below depending on the business model:

Classification	Business Model
Amortised cost	The objective of the Company is to hold and collect the contractual cash flows till maturity. In other words, the Company do not intend to sell the instrument before its contractual maturity to realise its fair value changes.
FVTOCI	The objective of the Company is to collect its contractual cash flows and selling financial assets.

- (iv) Investment in equity of associates are carried at cost (i.e) previous GAAP carrying amount as the date of transition to Ind AS. The Company has exercised an irrevocable option at time of initial recognition to measure the changes in fair value of other equity investments at FVTOCI. Accordingly, the Company classifies its financial assets for measurement as below:

Classification	Name of Financial Assets
Amortised cost	Trade receivables, Loans and advances to employees and related parties, deposits, IPA receivable, interest receivable, unbilled revenue and other advances recoverable in cash or kind.
FVTOCI	Equity investments in companies other than Associates as an option exercised at the time of initial recognition.
FVTPL	Forward exchange contracts.

- (v) Financial assets are derecognised (i.e) removed from the financial statements, when its contractual rights to the cash flows expire or upon transfer of the said assets. The Company also derecognises when it has an obligation to adjust the cash flows arising from the financial asset with third party and either upon transfer of:
- significant risk and rewards of the financial asset, or
  - control of the financial asset

However, the Company continue to recognise the transferred financial asset and its associated liability to the extent of its continuing involvement, which are measured on the basis of retainment of its rights and obligations of financial asset. The Company has applied the de-recognition requirements prospectively.

- (vi) Upon derecognition of its financial asset or part thereof, the difference between the carrying amount measured at the date of recognition and the consideration received including any new asset obtained less any new liability assumed shall be recognised in the Statement of Profit and Loss.

- (vii) For impairment purposes, significant financial assets are tested on individual basis at each reporting date. Other financial assets are assessed collectively in groups that share similar credit risk characteristics. Accordingly, the impairment testing is done retrospectively on the following basis:

Name of Financial asset	Impairment testing methodology
Trade receivables	Expected Credit Loss model (ECL) is applied. The ECL over life time of the assets are estimated by using a provision matrix which is based on historical loss rates reflecting current conditions and forecasts of future economic conditions which are grouped on the basis of similar credit characteristics such as nature of industry, customer segment, past due status and other factors that are relevant to estimate the expected cash loss from these assets.
Other Financial assets	When the credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. When there is significant change in credit risk since initial recognition, the impairment is measured based on probability of default over the life time. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

#### U. Financial Liabilities

- (i) Financial liabilities comprise of Borrowings from Banks, Trade payables, Derivative financial instruments, Financial guarantee obligation and other financial liabilities.
- (ii) The Company measures its financial liabilities as below:

Measurement basis	Name of Financial Liabilities
Amortised cost	Borrowings, Trade payables, Interest accrued, Unclaimed / Disputed dividends, Security deposits, and other financial liabilities not for trading.
FVTPL	Foreign exchange Forward contracts being derivative contracts do not qualify for hedge accounting under Ind AS 109 and other financial liabilities held for trading.

## NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

- (iii) Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Transaction cost of financial guarantee contracts that are directly attributable to the issuance of the guarantee are recognised initially as a liability at fair value. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.
- (iv) Financial liabilities are derecognised when and only when it is extinguished (i.e) when the obligation specified in the contract is discharged or cancelled or expired.
- (v) Upon de-recognition of its financial liabilities or part thereof, the difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liabilities assumed is recognised in the Statement of Profit and Loss.

### **V. Fair value measurement**

- (i) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.
- (ii) The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.
- (iii) All assets and liabilities for which fair value is measured are disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:
  - Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities
  - Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable.
  - Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are unobservable.
- (iv) For assets and liabilities that are recognised in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.
- (v) For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.

(vi) The basis for fair value determination for measurement and / or disclosure purposes is detailed below:

**a) Investments in Equity**

The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using valuation techniques.

**b) Forward exchange contracts**

The fair value of forward exchange contracts is based on the quoted price if available; otherwise it is estimated by discounting the difference between contractual forward price and current forward price for the residual maturity of the contract using government bond rates.

**c) Non-derivative financial liabilities**

The fair value of non-derivative financial liabilities viz, borrowings are determined for disclosure purposes calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

**d) Financial guarantee obligation**

The fair value of financial guarantee obligation with reference to loan availed by associates is determined on the basis of estimated cost involved in securing equivalent size of the guarantees from bank.

**e) Investment Properties**

The fair value of Investment property disclosed in Note No. 7. The fair values are determined based on valuation report given by an Independent Valuer.

**W. Significant Estimates and Judgements**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years.

Accordingly, the management has applied the following estimates / assumptions / judgements in preparation and presentation of financial statements:

**(i) Property, Plant and Equipment, Intangible Assets and Investment Properties**

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by technical team duly reviewed by the management at each reporting date. Wherever the management believes that the assigned useful life and residual value are appropriate, such recommendations are accepted and adopted for computation of depreciation / amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

**(ii) Current Taxes**

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law.

**(iii) Deferred Tax Asset (Including MAT Credit Entitlement)**

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained / recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

**(iv) Contingent Liabilities**

Management judgement is exercised for estimating the possible outflow of resources, if any, in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

**(v) Impairment of Trade receivables**

The impairment for financial assets are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward looking estimates at the end of each reporting date.

**(vi) Impairment of Non-financial assets (PPE/Intangible Assets/Investment Properties)**

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

**(vii) Defined Benefit Plans and Other long term benefits**

The cost of the defined benefit plan and other long term benefits, and the present value of such obligation are determined by the independent actuarial valuer. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rate are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions.

**(viii) Fair value measurement of financial instruments**

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model, to determine its fair value. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is exercised in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

**(ix) Interests in other entities**

Significant management judgement is exercised in determining the interests in other entities. The management believes that wherever there is significant influence over certain companies belong to its group, such companies are treated as Associate companies even though it holds less than 20% of the voting rights.

**DISCLOSURE OF FAIR VALUE MEASUREMENTS**

The fair values of financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.

**Fair value hierarchy**

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1 : Quoted (Unadjusted) prices in active markets for identical assets or liabilities
- Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The details of financial instruments that are measured at fair value on recurring basis are given below:

**FINANCIAL RISK MANAGEMENT**

The Board of Directors (BOD) has overall responsibility for the establishment and oversight of the Company's risk management framework and thus established a risk management policy to identify and analyse the risk faced by the Company. Risk Management systems are reviewed by the BOD periodically to reflect changes in market conditions and the Company's activities. The Company through its training and management standards and procedures develop a disciplined and constructive

control environment in which all employees understand their roles and obligations. The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the risk management framework. The Audit committee is assisted in the oversight role by Internal Audit. Internal Audit undertakes reviews of the risk management controls and procedures, the results of which are reported to the Audit Committee.

**The Company has the following financial risks:**

Categories of Risk	Nature of Risk
Credit Risk	Receivables
	Financial Instruments and Cash deposits
Liquidity Risk	Fund Management
Market Risk	Foreign Currency Risk
	Cash flow and fair value interest rate risk

The Board of Directors regularly reviews these risks and approves the risk management policies, which covers the management of these risks:

### Credit Risk

Credit Risk is the risk of financial loss to the Company if the customer or counterparty to the financial instruments fails to meet its contractual obligations and arises principally from the Company's receivables, treasury operations and other operations that are in the nature of lease.

### Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer. The Company extends credit to its customers in the normal course of business by considering the factors such as financial reliability of customers. The Company evaluates the concentration of the risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. In case of Corporate / Export Customer, credit risks are mitigated by way of enforceable securities. However, unsecured credits are extended based on creditworthiness of the customers on case to case basis.

Trade receivables are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company and where there is a probability of default, the Company creates a provision based on Expected Credit Loss for trade receivables under simplified approach as below:

**Financial Instruments and Cash deposits**

Investments of surplus funds are made only with the approved counterparties. The Company is presently exposed to counter party risk relating to short term and medium term deposits placed with Banks. The Company places its cash equivalents based on the creditworthiness of the financial institutions.

**Liquidity Risk**

Liquidity Risks are those risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. In the management of liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the company's operations and to mitigate the effects of fluctuations in cash flows. Due to the dynamic nature of the underlying business, the Company aims at maintaining flexibility in funding by keeping both committed and uncommitted credit lines available. The Company has laid well defined policies and procedures facilitated by robust information system for timely and qualitative decision making by the management including its day to day operations.

### Foreign Currency Risk

The Company's exposure in USD and other foreign currency denominated transactions in connection with import of cotton, capital goods & spares, besides exports of finished goods and borrowings in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk:

Decisions regarding borrowing in Foreign Currency and hedging thereof, (both interest and exchange rate risk) and the quantum of coverage is driven by the necessity to keep the cost comparable. Foreign Currency loans, imports and exports transactions are hedged by way of forward contract after taking into consideration the anticipated foreign exchange inflows/outflows, timing of cash flows, tenure of the forward contract and prevailing foreign exchange market conditions.

**The Company's exposure to foreign currency risk (un-hedged) as detailed below:**

### Cash flow and fair value interest rate risk

Interest rate risk arises from long term borrowings with variable rates which exposed the company to cash flow interest rate risk. The Company's fixed rate borrowing are carried at amortized cost and therefore are not subject to interest rate risk as defined in Ind AS 107 since neither the carrying amount nor the future cash flows will fluctuate because of the change in market interest rates. The Company is exposed to the evolution of interest rates and credit markets for its future refinancing, which may result in a lower or higher cost of financing, which is mainly addressed through the management of the fixed / floating ratio of financial liabilities. The Company constantly monitors credit markets to strategize a well-balanced maturity profile in order to reduce both the risk of refinancing and large fluctuations of its financing cost. The Company believes that it can source funds for both short-term and long-term at a competitive rate considering its strong fundamentals on its financial position.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. There have been no breaches in the financial covenants of any interest-bearing loans/borrowing. The Company has been consistently focusing on reduction in long term borrowings. There are no significant changes in the objectives, policies or processes for managing capital during the years ended 31-03-2017 and 31-03-2016.
